He had thousand ideas you might heard his name
He lived alone with his vision
Not looking for Fortune or Fame
Never said too much to speak of
He was off on another plane
The words he said were a mystery
Nobody knew he was sane
"But one day they notice he was gone"
At first it didn't matter
Nobody seemed to care
They were all too busy
To find him anywhere.

Donohoe gets set to hand off.

The Cistercian Hawks football team had its finest season ever as they finished with a 5-4 record. Head Coach Bob Haaser and assistant coaches Jim Klassen and Michael Bulger were very proud of this year's team and with good reason. Led by seniors Tim Strenk, Mike Donohoe, Charlie Chitwood, and David Godat, along with many experienced underclassmen, the Hawks played very well in 1979 while overcoming several mid-year injuries. Perhaps the team's spirit was best exemplified in the first game.

The scoreboard tells all.

The season opened against First Baptist Academy, a team predicted to win its conference by most area coaches. The Hawks and Saints battled hard throughout the game and it was only in the final minutes that First Baptist was able to overcome the defense to win 20-9. The game, however, proved the character of this Cistercian team and showed they had the ability to play well against larger opponents.

The first victory of the year came in the second game against Garland Christian. Cistercian displayed its strength, scored early, and held onto a 13-0 lead through the second half to win.

The Hawks finally uncorked their offense in the third game of the season. Utilizing every facet of their game, the team rolled to a 32-8 victory over Longview Christian.

The following week the Trinity Christian Trojans sought blood in revenge for a 1978 tie which they felt never should have happened. For some reason the Hawks entered this game flat and were never able to get on track. Trinity Christian easily won the game and left behind a very disappointed team.

The fifth game of the season pitted Cistercian against arch-rival, Greenhill. The Hawk seniors and coaching staff had never beaten Greenhill and thus incentive, spirit, and this team's talent enabled the squad to roll over the Hornets by a 43-14 score. This victory was certainly the most gratifying in recent years and gave the Hawks a 1-0 conference record and a 3-2 overall record, which raised hopes of a conference championship.

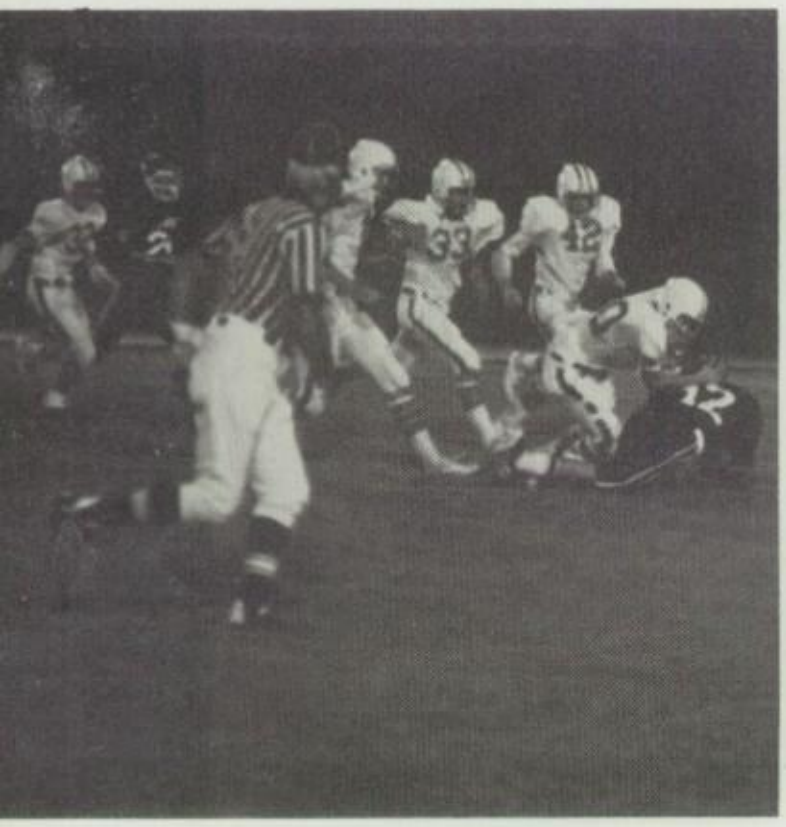
These hopes were dashed in the sixth game. Fort Worth Christian came to Cistercian and gave the Hawks what proved to be the most physical game of the year. Four starters from Cistercian went down in the game and the Cardinals took the advantage to defeat the Hawks 41-14.

Cistercian rebounded in the next two games to beat both Trinity Valley and Bethel Baptist by identical 21-0 scores. Trinity Valley had hopes of spoiling the Bird's Homecoming but the Hawks, even though the four starters injured the previous week did not play, coasted to victory.

Against Bethel Baptist the team took advantage of a strong running game and a fake punt to score three touchdowns and win the last of six straight home games.

Hamer tries to get away.



Tomaso is sacked.

So what's going on after the game, guys?

Now look here.

Hannay is brought down.

In the final game of the season the Hawks traveled to Dallas Christian to face the large Charger team. Three of the starters lost to Fort Worth Christian returned and a tough hitting game ensued. Cistercian kept the game close, allowing Dallas Christian to lead by only three points going into the second half. However, a few long runs and a long pass hurt the Hawks as they were shut out for the first and only time of the year, 17-0.

The score of the finale was not indicative of the team's season. The Hawks played consistently well and maintained a winning attitude throughout the season. The team wishes to thank the coaching staff, and with thirteen juniors returning next year, looks forward to the best team of Cistercian football history.

Tomaso helped off field.

Dean in the open.

Although the turnout was rather small, the 1979-80 CPS Varsity Basketball team played with confidence and showed great improvement from last year's squad. The team consisted of Captains Mike Donohoe and Ed Johnson; Seniors Steve Rasch, Bryan Miller, Paul Cummings, and Dean Henigsman; Juniors T. J. Marquez and Owen Hannay; and Sophomore John McCollough.

Under the direction of first year coach Tom Hillary, the team took on new strategy: a fast break offense and tight zone defense. The success of the game plan was immediate as the Hawks defeated Heritage Christian 39-32 in the season opener. Mike Donohoe and Dean Henigsman led scoring with 12 and 8 points respectively. Yet with this opening game, the Hawks greatest enemy, injuries, struck as Steve Rasch broke his wrist and was sidelined for most of the season. The defensive effort proved to be the deciding factor for CPS. Next the Hawks went on the road where they were totally outgunned 81-41.

The Hawks opened up conference play earlier than usual against arch-rival Greenhill. The Hornets proved to be tough, leading the game and forcing an overtime. CPS buckled down and won the game 55-52, led by Mike Donohoe with 26 points.

The team put up a 2-0 record in conference with their next victory over Trinity Valley. Donohoe, Hannay, and upstart John McCullough led the b-ballers to the 65-61 win. The Tyler Street Academy Tournament proved to be a disappointment to the preppies as they lost 2 out of 3 games. They put things together in the final game of the series defeating Garland Christian 89-57. All Hawk players scored in double figures led by Dean Henigsman with 20 points.

Donohoe lays it in for two.

Oh no you don't!

Cistercian battled Fort Worth Country Day to start conference play in January. The game was close throughout and was fought down to the wire. The Falcons prevailed 56-49 though in the end. Dean Henigsman led all scorers with 15 points, and Mike Donohoe and T. J. Marquez had 10 and 11 points respectively. Playing the next game against a tough Dallas Christian team, the Hawks dropped again 73-55. With only six players the team was easily tired and simply outplayed. Dallas Christian established a good lead at halftime and maintained it through the second half.

The next game was probably the low point of the season for the team. Once again, playing with only six players, the Hawks were outgunned by Fort Worth Christian 67-29. The only bright spot for Cistercian was Mike Donohoe's 15 points.

Ed drives through the lane.

Hey, that's mine!

Next the team met Episcopal School of Dallas. The Hawks went on to stomp the Eagles 69-35. Ed Johnson had a game high of 22 points and Dean Henigsman put in 15 points. Episcopal School never posed a threat as the Hawks ran the fast break offense to form. Then the team played Fort Worth Trinity Valley, a team that had given the Hawks a good game earlier in the season. In perhaps one of the most exciting games of the year, a freethrow with no time on the clock decided the game for the Trojans 49-48. With a 22 point contribution by Dean Henigsman and a 10 point showing by Ed Johnson, the Hawks were certainly disappointed by this loss.

Hawks start on a fast break.

Donohoe shows his form.

A home game with Greenhill was the next confrontation. The Hawks had control for most of the game and won 66-47. Mike Donohoe had an outstanding game hitting 30 points. This game was a fine victory and one well deserved by the players. Next Evangel Temple School gave Cistercian an extremely hard game but by utilizing teamship the Hawks won a thriller 64-55. The team was able to connect on vital free throws in the last minute of play to seal the victory. The Hawks had three players in double figures; Dean Henigsman with 21 points, Owen Hannay with 16, and Mike Donohoe with 13.

The team continued its winning streak by smashing Episcopal School of Dallas 75-38. Once again the team showed team work and outplayed the Eagles in every aspect of the game. A tough game against Fort Worth Christian was up next on the roster. The team played even much better than previously and almost surprised the Cardinals. The Hawks were down by a few points most of the game but the team never gave up. Fort Worth Christian held on to their lead to win 65-54. Traveling to Fort Worth Country Day for their next game, the Hawks had trouble in the first half. The second half was a different ballgame as the team came within six points of their rivals and nearly made up the large difference losing 74-56 as time ran out. Both Mike Donohoe and Ed Johnson had outstanding games, connecting for 24 and 20 points respectively.

Ouch!

Ed goes for two against Trinity Christian.

In the final game of the year, the Hawks lost to Dallas Christian 81-54. The score is not a fair symbol as the Hawks fought very hard. Dean Henigsman's 18 points, Mike Donohoe's 14 points, and Owen Hannay's 10 points paced the team in the last game.

Ending up with an 11-12 season compared to last year's 3-19, was quite an impressive showing for Cistercian. A lot of credit can be given to new Coach Tom Hillary who turned the team around completely and guided the Hawks to a respectable season. Also the team as a whole, led by players Mike Donohoe and Ed Johnson, had a continuous good attitude throughout the season. With two Juniors and a Sophomore returning plus several J.V. players, a bright outlook can be forecast for next year. Many thanks are owed to Assistant Coach Jim Klassen, team manager Tim Strenk, and the CPS fans and cheerleaders who gave the Hawks fantastic support throughout the season.

THE ALUMNI GAME

The Varsity Basketball squad faced a team composed of former CPS roundballers for the third straight year in the Alumni game. The contest, played annually at Christmas break, provides fun for both players and fans. The Varsity won this affair, but the Alumni, aided by the graduating seniors, plan to take revenge next year.

The Cistercian soccer team played another very fine season this year. Although the team was not able to clinch the T.I.S.C. championship, they did finish with a 9-4-0 record, one worthy of praise. The first of the season caught the Hawks unprepared. Cistercian met St. Marks, who gave the team a hard battle. The Lions finally scored after several shots on goal and dealt the Hawks a 1-0 loss. The team then went on to play Greenhill. A bit disheartened and still not ready for such tough competition, Cistercian was beaten in the second game of the season. Though the Hawks played fairly well in the second half after allowing two goals in the first, the Hornets still went away with a 2-0 victory.

The Hawks played Trinity Valley in the third game of the season. The team finally overcame the initial sluggishness they experienced and shut out the Trojans, scoring early in the first half to win 1-0. The Hawks met Fort Worth Nolan in the next game. Both teams played well and no score was made in the first half. The team went into the second half with new vigor. Cistercian scored off a penalty kick and a corner kick while the Cougars made only one goal. The Hawks showed everyone that they could play winning soccer.

Cistercian then faced a new opponent, Bishop Lynch. This was a very difficult game, but the Hawk offense was able to control most of the first half and score once. In the second half the defense had to work hard and each team scored, so the Hawks defeated the Friars 2-1. Returning from Christmas break, Cistercian faced Bishop Dunne. The Hawks were very aggressive and ready for another win. The first score came less than ten minutes deep in the game and then another before the half ended. The Falcons came into the second half in full strength. Cistercian was scored upon once. The rest of the game was very difficult as Dunne had several good chances to score. The Cistercian defense held its place and the game ended 2-1 for the Hawks.

I don't want it — you take it.

The next game was the easiest of the season. Playing on a poor field and in poor weather, the Hawks downed the Episcopal School Eagles 4-0. Cistercian then faced Fort Worth Country Day. Both teams fought hard and no one scored until the second half when the Hawks put in the only goal of the game. A very confident and well organized Cistercian team went away with a 1-0 victory.

The team then played the toughest game of the season against their arch-rivals, Jesuit. Cistercian was very tense and ready to play. The Rangers though, with only one goal scored against them in the season, were rough competition. Jesuit soon took a 2-0 lead. The players became more and more aggressive and tempers flared. Two Hawks were evicted and the remaining nine players could not stop the Rangers. Cistercian suffered a 3-0 loss after a winning streak of seven games. The Hawks played Fort Worth Country Day next. The players evicted in the game before were not allowed to play by T.I.S.C. rules and so with two JV players, Cistercian faced the Falcons. The team played well despite the position changes and delivered a 2-0 defeat to F.W.C.D.

Strenk kicks the habit.

The next game was played at Greenhill. This was an important game for a victory would assure the Hawks a T.I.S.C. Championship. The first half was slow and ended 1-1. The second half picked up speed as both teams vigorously tried to score. The game became tied at 2-2, then with ten minutes left the Hornets scored and the Hawks found that they could not make another goal. The Hawks had to leave with a 2-3 loss and smashed championship hopes.

Cistercian did not give up, though; the team proved it still had that winning spirit and defeated both Trinity Valley and Selwyn with convincing scores, 3-1 and 6-2 respectively.

The Hawks ended the season with a 9-4-0 record for the '79-'80 season. The last two games typified Cistercian's winning spirit. Even when the cards were down, the team played its best. Special thanks must go to coaches Dwight Fletcher and Brian Harvey for their efforts.

VOLLEYBALL

Cistercian's only intramural sport again proved to be an exciting spectacle as the Senior "A" squad came from behind to win. The well-organized double-elimination tournament progressed smoothly to its seesaw championship match shown here. The contest continued for over three hours as the two teams battled for one of school's most hotly contested trophies.

Jonathan Marquez reaches for a high one.

The '79 football season started out very well for the Middle School team as they were able to shut out the first two teams they played. The Hawks first beat the Garland Christian Swordsmen 14-0. The team went on to trounce Longview Christian 51-0. This game, the best of the season, left the Hawks with high hopes. These hopes were shattered, though, as Cistercian lost six out of the next seven games.

The third game of the season pitted the Hawks against Trinity Christian. The team was disappointed as the Trojans held onto an 18-16 lead to win. In the next game the Hawks were again downed by the Fort Worth Country Day Falcons 26-6.

The Cistercian team, though, did not loose its spirit. It played very well against Greenhill despite the fact that the Hornets were able to gain the upper hand and win 36-22.

An opponent finds it hard to make headway.

The Hawks then faced their toughest rival, Fort Worth Christian. The team suffered as the Cardinals rolled to 30-0 victory. This was the only shutout won against the Hawks in the season. This Cistercian team was still not deflated. They came close to victory in the seventh game against Saint Lukes, losing only 14-6. Then the Hawks overcame this streak of bad luck and downed the Bethel Baptist Spartans 12-0. This third shutout of the season won by Cistercian proved the team still had character. Yet the Hawks lost the last game to Dallas Christian 39-6, ending the season with only three wins.

HAWKS OF THE FUTURE

The fifth and sixth grade YMCA football teams provide early experience in organized team sports since there are no school squads at that level. The boys compete in six-man teams but otherwise follow all the rules of regular football. Some action shots from the sixth-grade season are shown below.

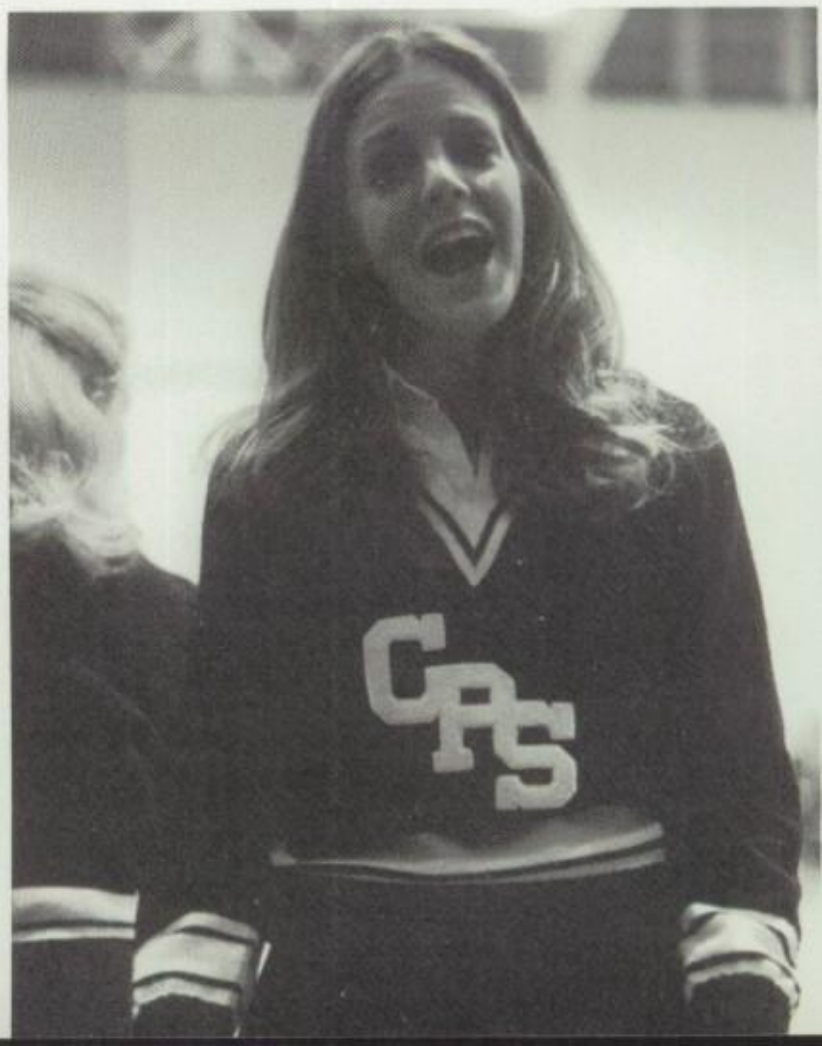
THE CHEERLEADERS

Seven brave girls endured cold, rain, and defeat to lead the sometimes meager crowds of spectators at Cistercian sporting events. From Hockaday came Seniors Shiela Spratt and Kelly Teas. Ursuline contributed five Seniors: Elizabeth Embree, Chiqui Esteve, Chris James, Ann Martin, and leader Shannon Shumate. Throughout the year, their effervescent spirit made any game a fun occasion.

Pyramid?



It feels so good.

Hey, Chiqui!

HOMECOMING

A well-decorated Wild West atmosphere surrounded the small crowd at the homecoming dance. As always, the Parents' Club did a wonderful job of providing snacks and drinks for those attending.

The football team's victory the night before helped lighten spirits as the rousing rock of Razin' Cain filled the gym. Despite the notable absence of alumni, students enjoyed a well-organized and and fun evening.

SKI CAMP

A week of riotous skiing was sandwiched between two riotous busrides to and from Crested Butte. Plentiful powder greeted the downhill madmen as they ploughed up the slopes — most of the time on skis. Mornings and evenings were passed in the Ski Crest Lodge known for its famous (infamous?) food and traditional hospitality. With all this activity, how could Ski Camp be anything but fun?
